REMARKS

In response to the Communication mailed June 28, 2001 and pursuant to a telephone conference between the undersigned and the Examiner on July 10, 2001, the Examiner requested that the Applicant supplement the previous response (filed April 23, 2001) to the Office Action mailed January 22, 2001 as follows:

- (1) Opposition: The Examiner requested explanation of what is an Opposition.
- (2) Opposition mailed May 3, 2000 in counterpart patent application in the European Patent Office (Opposition): The Examiner requested that the Applicant should "discuss the negative statements in the Opposition and make a specific comparison of claim language with the opposition documentation as applied and point out patentable/novel claim language vis-à-vis this documentation."
- (3) Line of demarcation between the present invention and parent US patents/applications: During the telephone conference of July 10, 2001, the Examiner requested
